

My dear Mr Gordon -

I trust you would be
interested in the enclosed clipping -
I would never have guessed that
Bert would become a hero -

Gryzella is much better - Friday
day will fumigate her room and
she is to sit up for a short time -

Peggy will then be able to go
in to Charlotte's room - they will
keep the nurse for several weeks -

Gryzella will need very special
care until she is stronger -

It is cold-drawy and foggy
this morning - just a few patches
of snow here and there -

The New York Times said the
Princeton football team vanquished the
Harvard team - but we haven't
heard whether John won -

All our love dear son -

Your devoted

Mother -
